PROFESSIONAL SUMMARY

Aspiring Software Developer with an MCA and hands-on experience in web development, MERN technologies, REST APIs, automation testing, and Android development. Focused on building practical, scalable applications and continuously improving software development skills.

TECHNICAL SKILLS

Languages: Java, JavaScript, HTML, CSS
Frameworks: React.js, Node.js, Express.js
Databases: MongoDB, MySQL, Firebase
Testing: Playwright, API Testing
Tools: Git, GitHub, VS Code, Android Studio, IntelliJ IDEA

EXPERIENCE

Automation Tester | Color Paper Private Limited (5 Months)

- Developed and maintained Playwright automation for Search, Newsletter, Support Forms, and Profile workflows.
- Performed API testing and validated application behavior across automated test scenarios.
- Created reusable test flows and analyzed execution results to identify functional issues.

PROJECTS

Resume Analyzer | Node.js, Express.js, Android Studio, Java, XML

- Developed a resume analysis application with an Android frontend using Java and XML.
- Built the backend using Node.js and Express.js to process resume data and provide analysis.
- Integrated the Android frontend with the backend to help users analyze resume content.

E-commerce Website – CoverToCare | MERN Stack

- Developed an e-commerce platform for managing and selling mobile phone covers with a separate admin workflow.
- Implemented product and category management, image uploads, pricing, discounts, stock, variants, featured products, and best-seller flags.
- Built REST APIs using Node.js/Express, MongoDB for data storage, and Cloudinary for product images.

EDUCATION

- **MCA (Completed)** | TIMSCDR, Mumbai – University of Mumbai | CGPI: 7.68 | 2024–2026
- **B.Sc. Information Technology** | B.K. Shroff College, Mumbai – University of Mumbai | CGPA: 7.85 | 2021–2024
- **HSC – Science** | Thakur College of Science & Commerce | 67.83% | 2021
- **SSC** | Shri R.J. Makecha High School | 74.60% | 2019

CERTIFICATIONS & ACHIEVEMENTS

Certifications: Foundational C# with Microsoft; Google Cloud Computing Foundations (NPTEL); Java Programming (Great Learning).

Achievements: Head Boy – Shri R.J. Makecha High School; Top 5 Winner – Synapse Competition, TIMSCDR; Member – Avishkar Group, TIMSCDR.
